Susan, I'd be happy to go over the Resource Management Branch portfolio, anytime. I'm in next week, if your schedule is light.

Susan --

At one of our last meetings, you asked for a list of the multimedia judicial cases SLPD is handling.

We are providing that list here, along with a summary of the key cases and policy matters we handle, as well.

We are happy to walk you through this presentation tomorrow at our general. Conspicuously absent from this presentation of the work of our Resource Management Branch (RMB), which provides facilities, human resource, budget and network liaison services to the entire Office of Civil Enforcement. We view RMB as an integral part of our division, but we assumed for immediate purposes, you wanted to hear about our case and policy work.

Thanks.
